Detailed description

Kopaonik is the largest mountain range in Serbia and it is located 230 kilometers from Belgrade. One section of the mountain is a protected zone of the National Park Kopaonik which is at the same time one of the largest skiing centers in the country. This apartment is 2.4 km from the Ledenica ski lift and 1.6 km from the Masinac ski lift. The apartment has been completely renovated in 2019. Its layout provides comfort and convenience to users. Open space consisting of a living and dining area has access to a terrace of 60m2, the sleeping block consists of 3 bedrooms, 2 bathrooms, separate technical room (laundry/pantry). The price includes all furniture and appliances and its own box with a ski rack.
