Detailed description		
Great location at Senjak with gorgeous and peaceful surrounding. The lot has a regular, rectangular shape (with extensive front facing the street, 22m). The house placed there registered on 96 m2, organized on the 3 levels. There is an option for building an object with the same number of levels with extra content (pool, court, fountain, greenhouse) and others auxiliary facilities and garages. Call us for more details.		
Additional equipment		

Sale price comment: **1.350.000 €** total , negotiable
